

## ABOUT THE PROJECT

The **South Bay Area Plan (SBAP)** will be a community-based plan to respond to the unique and diverse character of the seven unincorporated communities within the South Bay and will propose land use goals and policies to shape future development.

## GET INVOLVED

LA County Planning is calling on the communities of **Alondra Park/El Camino Village, Del Aire, Wiseburn, Hawthorne Island, La Rambla, Lennox, West Carson, and Westfield/Academy Hills** to participate in reviewing the **Historic Context Statement (HCS)**. This document will:

- Identify the important history and development themes of the built environment.
- Support preservation of historic resources while accommodating necessary growth and development
- Inform the Cultural Resources section of the plan's Environmental Impact Report.

## SHARE YOUR THOUGHTS

The HCS is now available for public review on our webpage. Please submit your comments to us by 5:00 p.m. December 14, 2023. You can view and download the documents on our webpage:
