

**COMMUNITY STANDARDS DISTRICT – COMPLAINT LOG****3<sup>rd</sup> QUARTER 2018****COMPLAINT SUMMARY**

Q3-18-21: Received an noise complaint (loud fireworks) in regards to "fireworks behind the building" located at [REDACTED] Santa Rosalia Dr., L.A. (which is approx. 1.3 miles n/e of IOF perimeter. Complaint unrelated to oil field activities.

Q3-18-22: Received an odor complaint ("burnt meat", "burning BBQ") from the Culver Crest area. IOF Operators were dispatched, no odors/anomalies were detected. Incident deemed unrelated to oil field activities.

Q3-18-23: Received an odor complaint ("burning rubber") from the 3600 blk of Wesley St, Culver City. IOF Operators were dispatched, no odors/anomalies were detected. Incident deemed unrelated to oil field activities.

Q3-18-24: Received an odor complaint ("burning rubber") from the Village Green neighborhood. IOF Operators were dispatched, no odors/anomalies were detected. Incident deemed unrelated to oil field activities.

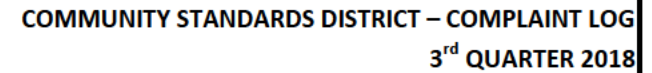

Q3-18-25: Received an odor complaint ("burning rubber") from the Village Green neighborhood. IOF Operators were dispatched, no odors/anomalies were detected. Incident deemed unrelated to oil field activities.

Q3-18-26: Received an odor complaint ("Sulphur") from the 5600 block of Glenford St, L.A.. SPR personnel responded to the location and it was determined the smell was coming from a small gas leak from one of the houses on the block and unrelated to oil field activities.

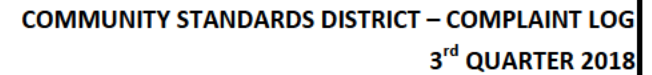

Q3-18-27: Received a noise complaint (constant "clicking" or "beeping") from a resident in the area of Shenandoah w/o La Cienega. SPR personnel responded to the location, but did not detect any noises emanating from the oil field at that time. The resident advised that the noise did not recur the following evening, but would re-contact SPR in the event it does.

Q3-18-28: Received an odor complaint ("rotten egg smell") from a citizen driving by the area of La Brea Ave./Stocker St. SPR personnel were dispatched to the area, no odors/anomalies were detected. Incident deemed unrelated to oil field activities.
