RPPL2024004996 PRJ2021-000064	10/02/2024	<p>The Department of Beaches and Harbors (DBH) requests a Coastal Development Permit (CDP) exemption for a project that was previously approved by DRP and did not commence construction by the permit expiration date. The subject CDP exemption, No. RPPL2021002153, was approved on May 24, 2021 and expired on May 24, 2023. The permit authorized the repair and rehabilitation of the Marina del Rey public boat launch ramp and parking lot located at 13483 Fiji Way in Marina del Rey. The original project scope of work included the replacement of the existing three boarding floats and the concrete boat launch ramp; the construction of an ADA accessible gangway; the repair of the existing parking lot including the replacement of paving, landscaping, parking islands, and irrigation system; the replacement of existing security fencing; the replacement of existing and the installation of new stormwater filtration units as a Best Management Practice (BMP) effort to improve the water quality of runoff entering marina waters; and the replacement of public boat “wash down” units with modern, efficient equipment. No changes are proposed to the previously approved scope of work.</p>	13483 Fiji Way, Marina Del Rey CA 90292	4224010900	Tamika Simmons	Nathan Merrick	SP	2
