**ORDINANCE NO. \_\_\_\_\_**

An ordinance amending Title 22 . Planning and Zoning . of the Los Angeles County Code to allow zip lines and museums in Zone C-R, add regulations concerning the applicability of zone changes and amendments as well as development applications that are pending at the time of adoption of the 2014 Antelope Valley Area Plan Update zoning consistency program, and to modify when a conditional use permit is required within Significant Ecological Areas.

**SECTION 1.** Section 22.08.250 is hereby added to read as follows:

22.08.250 Z.

- %Zip-line+ means a ride where a cable is suspended above an incline to which a pulley and harness are attached to a rider.

**SECTION 2.** Section 22.16.225 is hereby added to read as follows:

22.16.225     Applicability of zone changes and amendments.

A.     Effective Date. Zone changes and amendments shall be effective 30 calendar days after the date that the ordinance is adopted by the Board of Supervisors unless otherwise specified in this Title 22.

B.     2014 Antelope Valley Area Plan Update -- Pending Applications. If a zone change or zone amendment is the result of the zoning consistency program of the 2014 Antelope Valley Area Plan Update, the following provisions shall apply to complete applications filed prior to the effective date:

1.     The applicant may choose whether the application will be reviewed for compliance with the previous zone and previous regulations or with the changed zone and amended regulations that are the result of the zoning consistency

program of the 2014 Antelope Valley Area Plan Update. In either case, approval of the application is not guaranteed.

2. If an application is reviewed for compliance with the previous zone and previous regulations, the applicant may modify the application prior to consideration by the Commission, Hearing Officer, or Director. The modification may necessitate the submittal of revised, updated, or additional materials and reports, such as site plans, elevations, oak tree reports, etc. The modification will be reviewed for compliance with the previous zone and previous regulations if it does not change the housing type (e.g. from single-family to two-family or multi-family) nor increase:

- a. The residential density;
- b. The floor area or lot coverage of non-residential space;
- c. The amount of grading; or
- d. The area of ground disturbance.

3. Modification to an application that is already approved but not used may be reviewed for compliance with the previous zone and previous regulations if it qualifies to be reviewed as a Revised Exhibit A+ or an amended site plan. Otherwise, a modification shall be considered a new application and shall be reviewed for compliance with the changed zone and amended regulations that are the result of the zoning consistency program of the 2014 Antelope Valley Area Plan Update.

4. If an approval is used and has a grant term, the approved use may be maintained until the end of the grant term. At the end of the grant term, the use shall be subject to the provisions of Title 22 in effect at that time. During the grant

term, a modification to the approved use will be reviewed for compliance with the previous zone and previous regulations if it qualifies to be reviewed as a Revised Exhibit ~~A~~ or an amended site plan. Otherwise, a modification to the approved use shall be subject to the provisions of Title 22 in effect at that time.

5. If an approval is used and does not have a grant term, the approved use may be maintained in perpetuity unless a time limit is specified by Section 22.56.1540. In addition, all applicable provisions in Part 10 of Chapter 22.56 shall apply to the approved use. A modification to the approved use will be reviewed for compliance with the previous zone and previous regulations if it qualifies to be reviewed as a Revised Exhibit ~~A~~ or an amended site plan. Otherwise, a modification to the approved use shall be subject to Part 10 of Chapter 22.56 and all other relevant provisions of Title 22 in effect at that time.

**22.4 .525 D S .** Premises in Zone MXD-RU shall be subject to the following development standards:

. A. Minimum yards.

1. Minimum front or corner side yards shall be equal to the front yard required on any contiguous Residential or Agricultural Zone where the property adjoins

a street.

2. Properties adjoining a Residential or Agricultural Zone shall have a minimum side or rear yard of five feet from the lot line adjoining the Residential or Agricultural Zone.

3. Any required yards shall be also subject to the general provisions and exceptions contained in Chapter 22.48, as specified.

B. Maximum Floor Area Ratio (FAR). The maximum commercial FAR shall be 0.5.

C. Maximum density. The maximum density for residential projects in Zone

MXD-RU is five dwelling units per acre.

D. Maximum height. The maximum building height shall be 35 feet above grade or two stories, excluding chimneys and rooftop antennas, except as otherwise provided by an applicable Community Standards District.

E. Maximum lot coverage. The gross area occupied by buildings shall not exceed 90 percent of net lot area.

F. Minimum landscaped area.

1. Required landscaping. A minimum of 10 percent of the net lot area devoted to commercial use, including parking and other appurtenant uses, shall be landscaped with drought-tolerant landscaping and hardscaping, which shall be continuously maintained in good condition. Incidental walkways may be developed in the landscaped area.

G. Parking requirements. Bicycle and vehicle parking facilities shall be provided as required by Part 11 of Chapter 22.52, except as amended by this Subsection G. In addition, all vehicle parking facilities shall have the following requirements:

1. Parking areas shall be set back a minimum of five feet from any adjacent Residential or Agricultural Zone. The setback area shall be landscaped with at least one 24 inch box tree for every 20 linear feet of street frontage.

2. Parking spaces shall be used only by visitors, customers, owners or tenants of a legally established use on the premises.

3. Vehicles shall not be parked in the required parking spaces on the

premises for more than 24 hours.

4. Parking spaces for recreational vehicles and trailers and semi-trucks shall be designed as pull-through parking spaces.

5. Different types of parking spaces shall not be placed within the same row.

6. Driveways for recreational vehicles and semi-trucks shall be separate from driveways for passenger vehicles wherever feasible. However, if a shared driveway is to be used where large vehicles cross into identified pedestrian walkways, pavement markers, paint schemes or signs shall be used to indicate caution that pedestrians may be in the area.

7. Adequate turning spaces shall be provided on site so that vehicles shall enter into and exit out of the parking lot head first.

8. All requirements for ingress and egress to public rights of way shall be designed to the satisfaction of the Department of Public Works.

H. Vehicle Parking Incentives. A maximum of 40 percent of the total required vehicle parking spaces may be converted to Large Vehicle; Recreational Vehicle and Trailer; and Semi-truck parking spaces, in any combination thereof, in accordance with the following provisions:

1. The parking spaces shall be developed with the minimum dimensions specified below and shall count towards compliance with the required number of parking spaces equivalent to the number of standard parking spaces specified in the table below:

Parking Type	Minimum Dimensions (based on a 90 degree angle)	Equivalent in Counting Towards Required Parking Spaces
Large Vehicles (Classes 2 through 6, based on Gross Vehicle Weight Rating)	13 ft x 23 ft	2 standard parking spaces
Recreational Vehicles and Trailers	13 ft x 50 ft	4 standard parking spaces
Semi-trucks	13 ft x 70 ft	5 standard parking spaces

2. Incentives for semi-truck parking spaces shall be applied only in Special Parking Districts identified by the local Area Plan.

3. If the parking incentives listed in subsection G.1, above, are requested, then any compact parking spaces pursuant to Section 22.52.1082 shall be prohibited.

I. Screening. All mechanical equipment, trash containers, and dumpsters shall be completely screened from view from adjacent streets, walkways, and residences through the use of walls and/or landscaping. Standards for trash and recycling containers shall be in conformance with Subsection C of Section 22.52.1930.

J. Storage

1. Outside storage. Outside storage is permitted on the rear of a lot when such storage is strictly incidental to the permitted use on the same lot. Any outside area used for storage shall be completely enclosed by a solid masonry wall and solid gate, not less than five feet nor more than six feet in height, except that the Director may approve the substitution of a fence or decorative wall that will adequately comply with the provisions of this section. All such requests for substitution shall be

subject to the provisions of Part 12 of Chapter 22.56.

2. Cargo shipping containers. One cargo shipping container not exceeding 10 feet in height, 10 feet in width, and 40 feet in length, may be used for storage, provided that the cargo shipping container shall:

- a. Be incidental to a permitted primary use on the same lot;
  - b. Be placed at least six feet from a legally established primary structure;
  - c. Be painted one uniform color and the sides of containers shall not display images or lettering, except for signs providing safety information related to the contents stored within, if required by the County Code or other applicable regulations; and
  - d. Be maintained in compliance with the Building Code Manual of the Department of Public Works, including the issuance of a Miscellaneous Permit by Public Works.
- d. Additional cargo shipping containers on the same lot shall require a conditional use permit per Section 22.40.520, and shall comply with Subsections J.2.a, b and c of this Section, above, and also the following:
- i. The containers shall not be stacked on top of each other; and
  - ii. The containers shall be placed at least six feet apart from each other, unless otherwise indicated on an approved site plan.

K. Outside display. Except for the following uses, all display in Zone MXD-RU

shall be located entirely within an enclosed building unless otherwise authorized by a temporary use permit, provided that no vehicle or equipment shall be stacked on top of another:
