Project Name/ Plan Number	Workclass	Application Date	Description	Address	Parcel Number	Zone Code	Status	Planner
RPPL2024006123	Oak Tree Permit - Administrative	12/18/2024	Per the Arborist report (McKinley and Associates), the Coast Live Oak has two trunks, one that is 30 inches and another that is 22 inches. The 30 inch diameter trunk grows south over our property at 5819 Edmund Avenue. It grows over our house and utility wires. The branches are close/ touch roof and chimney. The tree needs major structural pruning and removal of 30 inch diameter trunk to prevent the trunk from separating at the union or crotch and falling onto the roof of our house and garage. Pruning and removal of dead wood in the remaining 22 inch trunk is recommended.	5819 Edmund Avenue, La Crescenta CA 91214	5868017022	R-1-7500	Waiting for Applicant	Uriel Mendoza
