RPAP2024004136	08/02/2024	The Pebbly Beach Landfill (PBL) Project (project) seeks to receive Significant Ecological Area (SEA) Counseling regarding the applicability of a ministerial SEA review. The project involves the optimization of the landfill site life within the existing boundary through minor modifications to the current design. As depicted in the attached Biological Constraints Map (BCM), no sensitive or protected biological resources lie within the project boundary A high-level background. Please see the provided Project Description for full details.		7480045900	Lyndsey Baughman	To Be Assigned Received	SP	4
