

THE PALM

The Palm is a charming starter home, ideal for small lots. It has an efficiently arranged open plan, with flexible bedroom options allowing for many configurations based on lifestyle and family size. The kitchen, dining room and living room flow together, from the front to the back of the house creating a path of social space in the home. The open porch creates a lovely outdoor space perfect for an evening gathering with the neighbors. This plan features many closets for valuable storage space, while preserving social space for the whole family to enjoy.
