

Villa - ALTA 1890

1,890 SF | 3 Bedrooms+Den | 2.5 Baths

This has all the charm and efficiency of the Alta 1635b - stretched out for a little more breathing room. It has a dedicated office, spacious bedrooms, and an eat-in-kitchen that opens to the living room. All of our homes come standard with fiber cement siding, electric stainless steel appliances, designer finishes, energy-efficient lighting, central heating, air conditioning, and high-efficiency dual-pane windows.
