

Villa - ALTA 1620B

1,624 SF | 3 Bedrooms | 2 Baths

This home gives you a warm welcome with its gabled roofline and charming front porch. Inside, the open-concept kitchen and living room flow effortlessly to the optional deck - ideal for entertaining or everyday meals. Down the hall, three spacious bedrooms and two full baths create a quiet, restful retreat. All of our homes come standard with fiber cement siding, electric stainless steel appliances, designer finishes, energy-efficient lighting, central heating, air conditioning, and high-efficiency dual-pane windows.
