Project Description:

Single-Family Residence

Two-story residence (1,779.7 square feet), three (3) bedrooms, two (2) bathrooms, and one (1) vanity. The layout includes an open kitchen with island, dining area, double-height living room, and laundry area. The residence features balconies at both the front and rear of the house.

Exterior Improvements:

New patio cover and covered front porch.

Detached Garage:

New detached garage (420 square feet) located at the rear of the property, designed to allow for future conversion to an Accessory Dwelling Unit (ADU), subject to future permits and approvals.
