

Supporting Transportation & Mobility

Planning for the Long-Term

June 2026

LA COUNTY
PLANNING

PW *Public Works*
LOS ANGELES COUNTY

CAPITAL IMPROVEMENT PLANS

LA County Public Works (PW)

- **Jurisdiction:** Unincorporated Los Angeles County + Contract Cities
- **Responsibilities:** Plan, design, build and maintain infrastructure
- Also manages Building & Safety Division

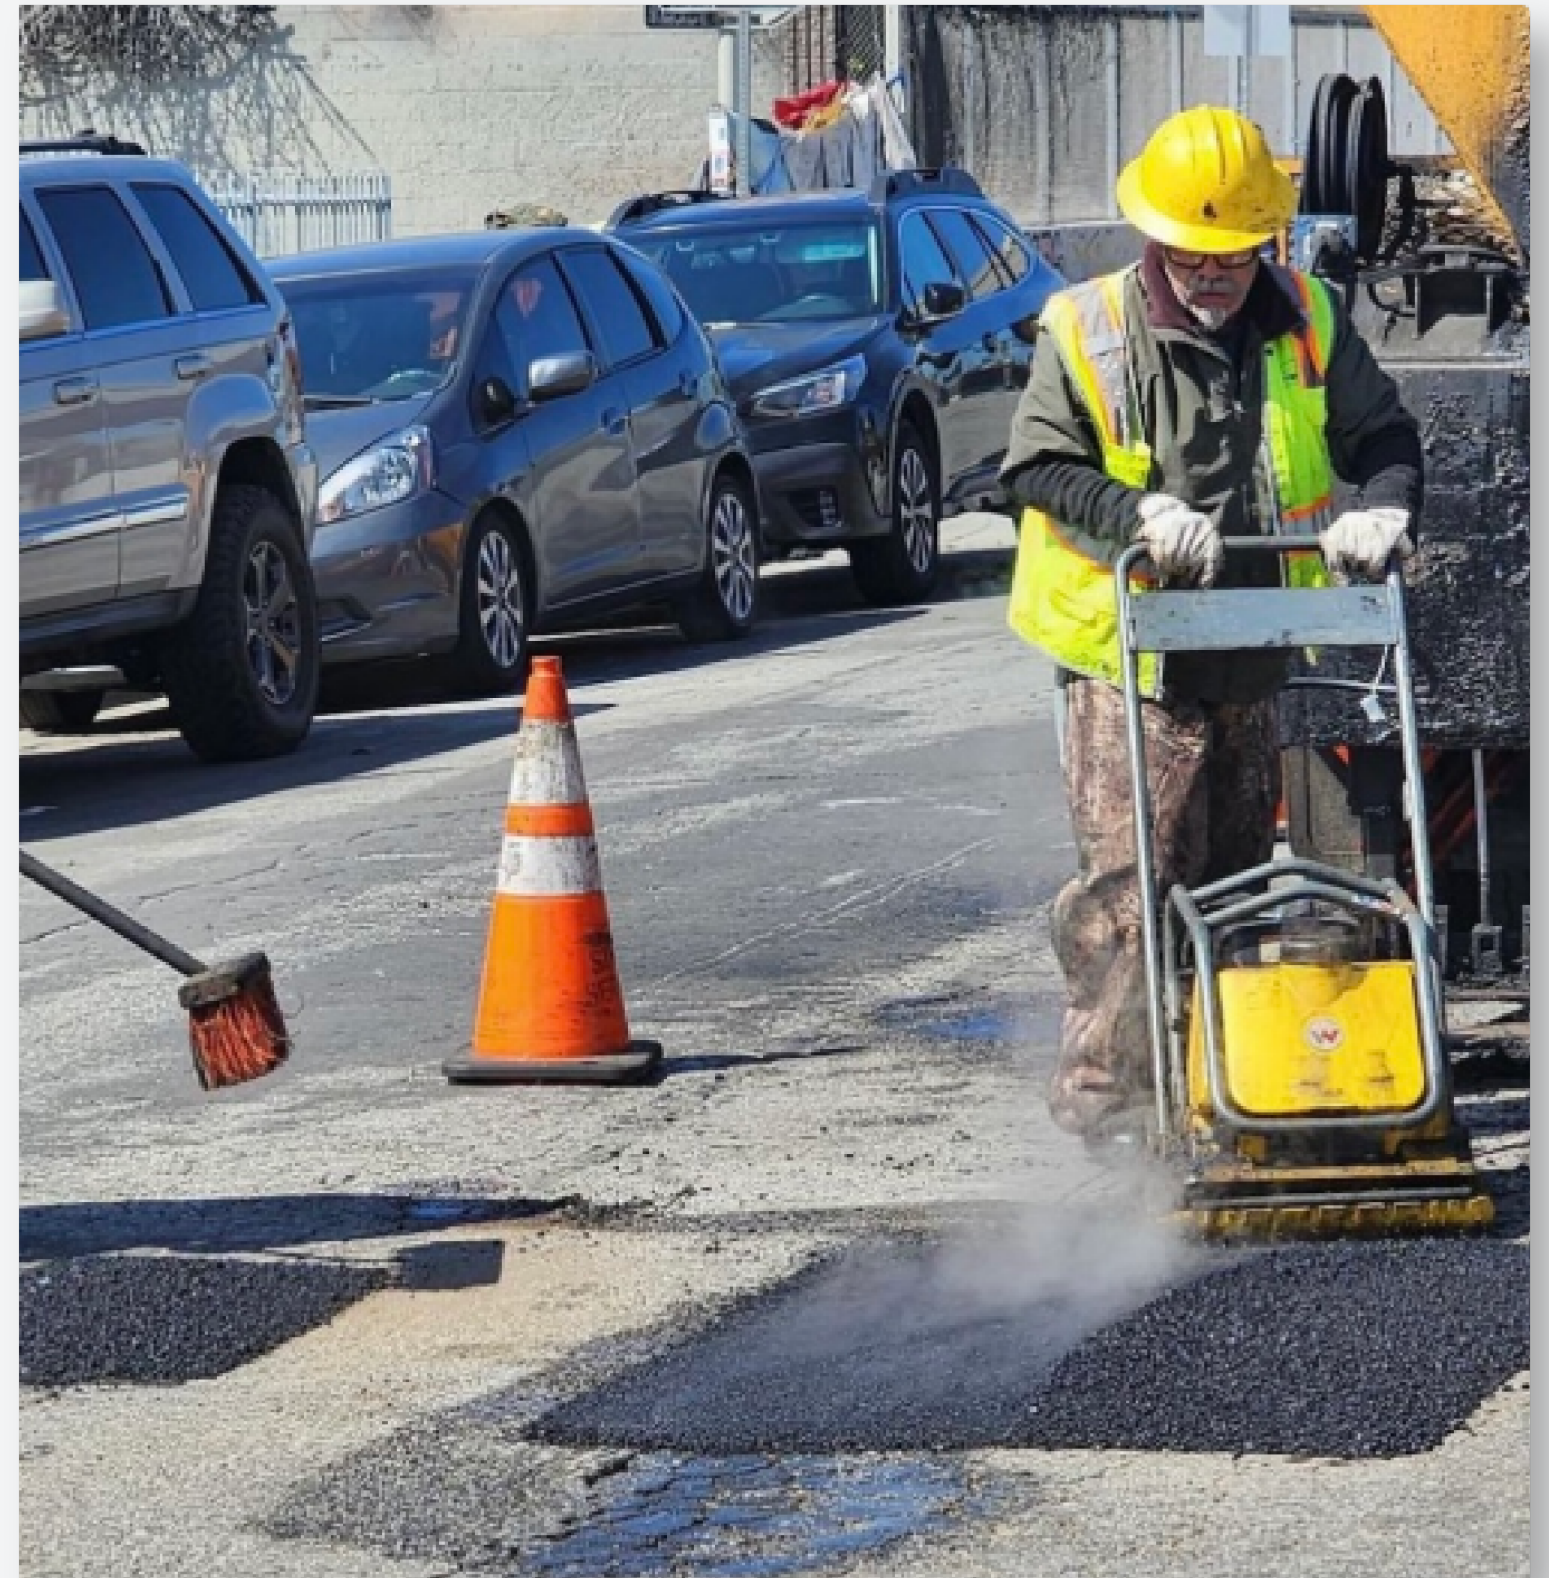

Core Service Areas

- Water Resources
- Environmental Services
- Transportation Infrastructure
- Municipal Services
- Construction Services

LAC PW: Supporting Transportation & Mobility

Unincorporated LA County covers more than **2,600** square miles and is home to over **1 million people**

- LAC PW plays a central role in designing, building, operating, and maintaining all county **roads, bridges, and traffic signals** within this **entire region**
- Also operates several transit services in LAC

LAC PW: Supporting Transportation & Mobility

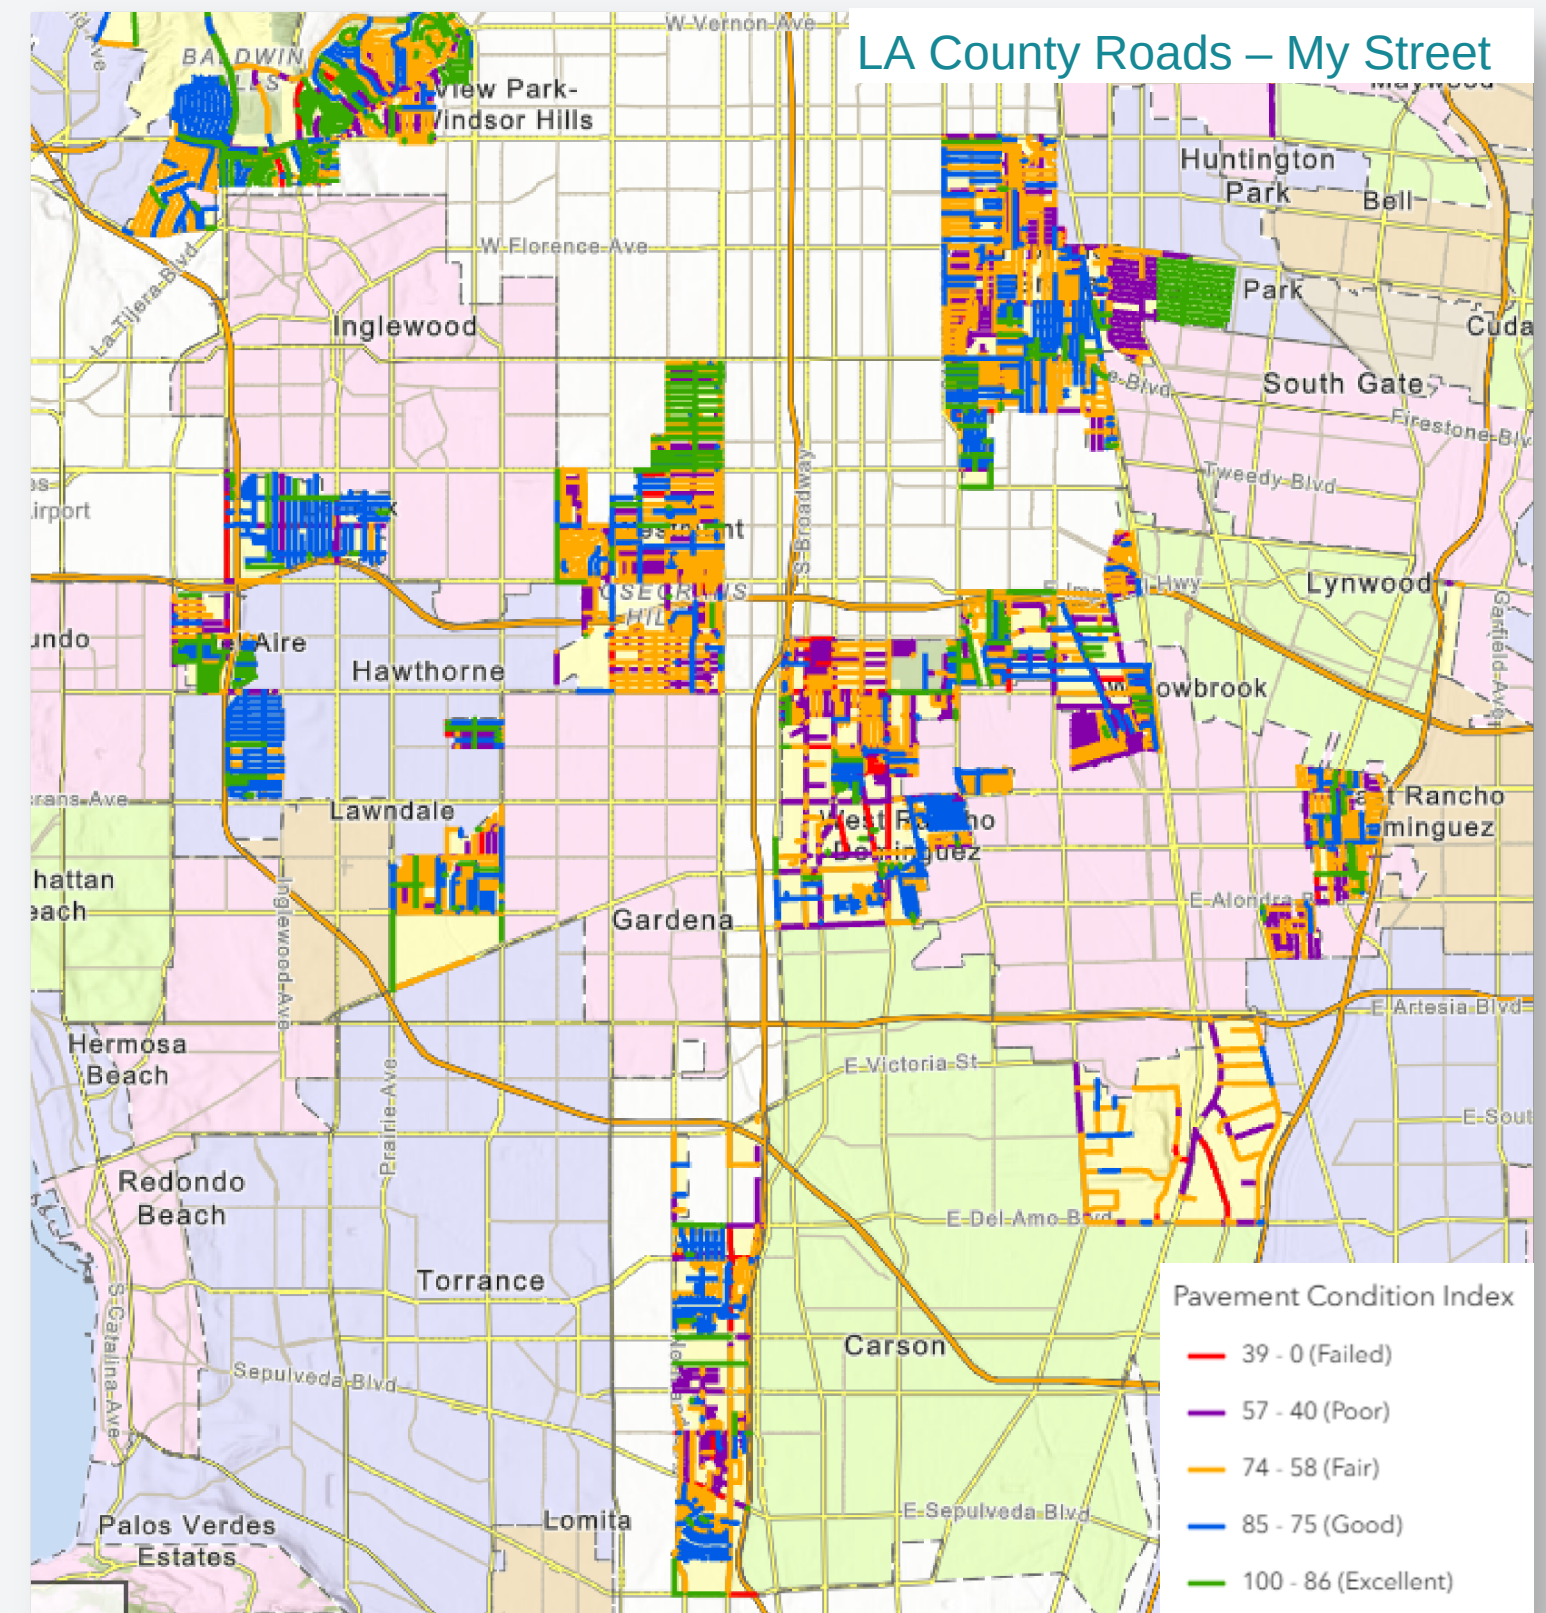

Our Infrastructure Network at a Glance

PW Manages & Maintains:

- **3,200** miles of County-owned roadways
- **100** miles of bike ways
- **507** bridges
- **1,800** traffic signals
- **190,000** traffic signs

Fun Fact:

In the coming years, PW will be **installing or replacing over 250 bus shelters** throughout unincorporated areas

This webmap provides pavement condition information for the roads located in the Unincorporated County area.

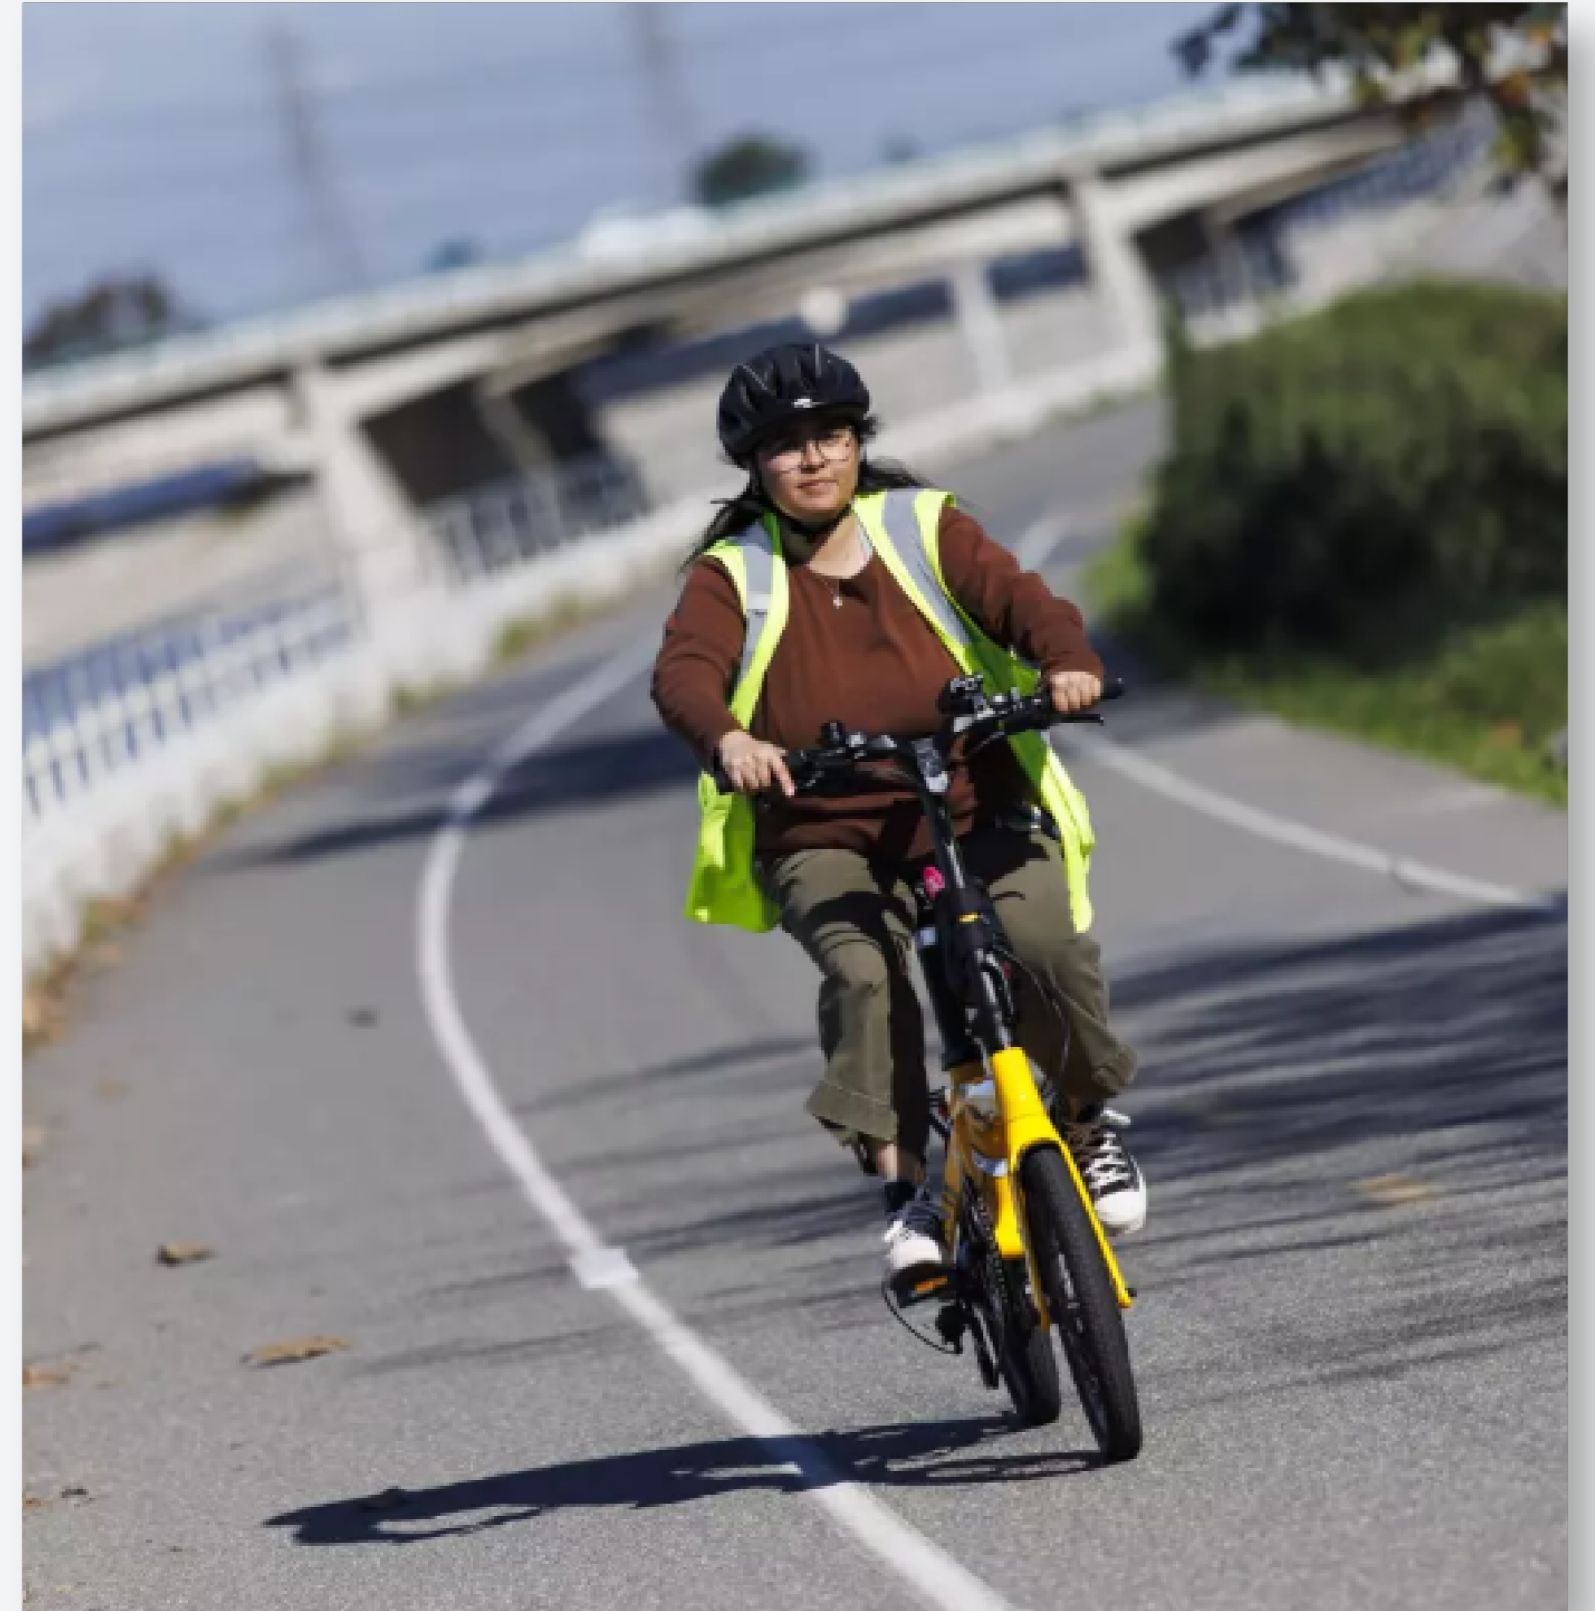

LAC PW: Supporting Transportation & Mobility

Shaping how we walk, roll, bike, and ride

What this means:

LA County Public Works must ensure our transportation infrastructure substantially:

- **Supports** our daily travel
- **Mitigates** the goods movement
- **Maintains** necessary emergency access
- **Connects to regional freeway networks** and adjacent cities

**Which Transportation
Infrastructure is
Responsible for ?**

✓ Fully Responsible

- 1 County roads and bridges
- 2 County pedestrian infrastructure
- 3 County signals, crossings, and other street design amenities

– Shared Responsibility

- 1 Bus Shelters**
LA Metro owns a small fraction of bus shelters. PW owns most in LAC
- 2 Transit Provision**
Other Providers: LA Metro, Metrolink , Amtrak, LADOT, Big Blue Bus, Culver City Bus
- 3 Bicycle Infrastructure**
LA Metro operates Metro Bikeshare

✕ Not Responsible

- 1 City Streets
- 2 State Highways/Freeways

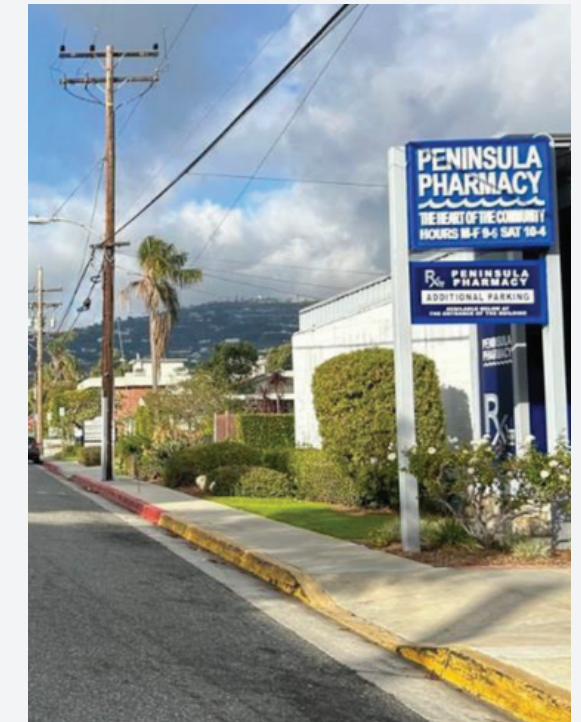

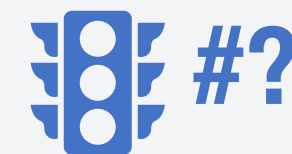

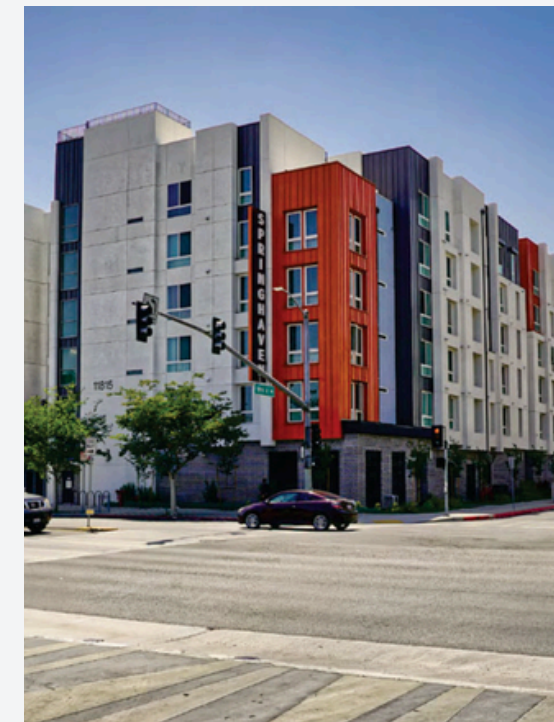

How Do We Preserve & Improve Transportation Infrastructure?

Why Long-Term Infrastructure Plans Matter

Creating a Roadmap for Preservation and Expansion

To meet current and future infrastructure demands, the County launched **a Capital Improvement Plan (CIP) program** focused on maintaining, improving and expanding essential public infrastructure

This initiative allows each **Planning Area** to **identify and address** long-term transportation infrastructure needs

Introducing Capital Improvement Plans (CIPs)

Creating a Roadmap for Implementation

The Capital Improvement Plan (CIP) will be a long-term strategic plan that guides how the County prioritizes, plans, and funds infrastructure projects over the next 5-10 years.

Implementing Long-Term Plans

Ongoing Infrastructure Projects & Programs

- Bus Stop Amenities Program
- Bus Stop Improvement Program
- **Bus Shelter Replacement Project (Phase 1)**
- LA County Bicycle Master Plan Update
- Ongoing Bikeway Projects

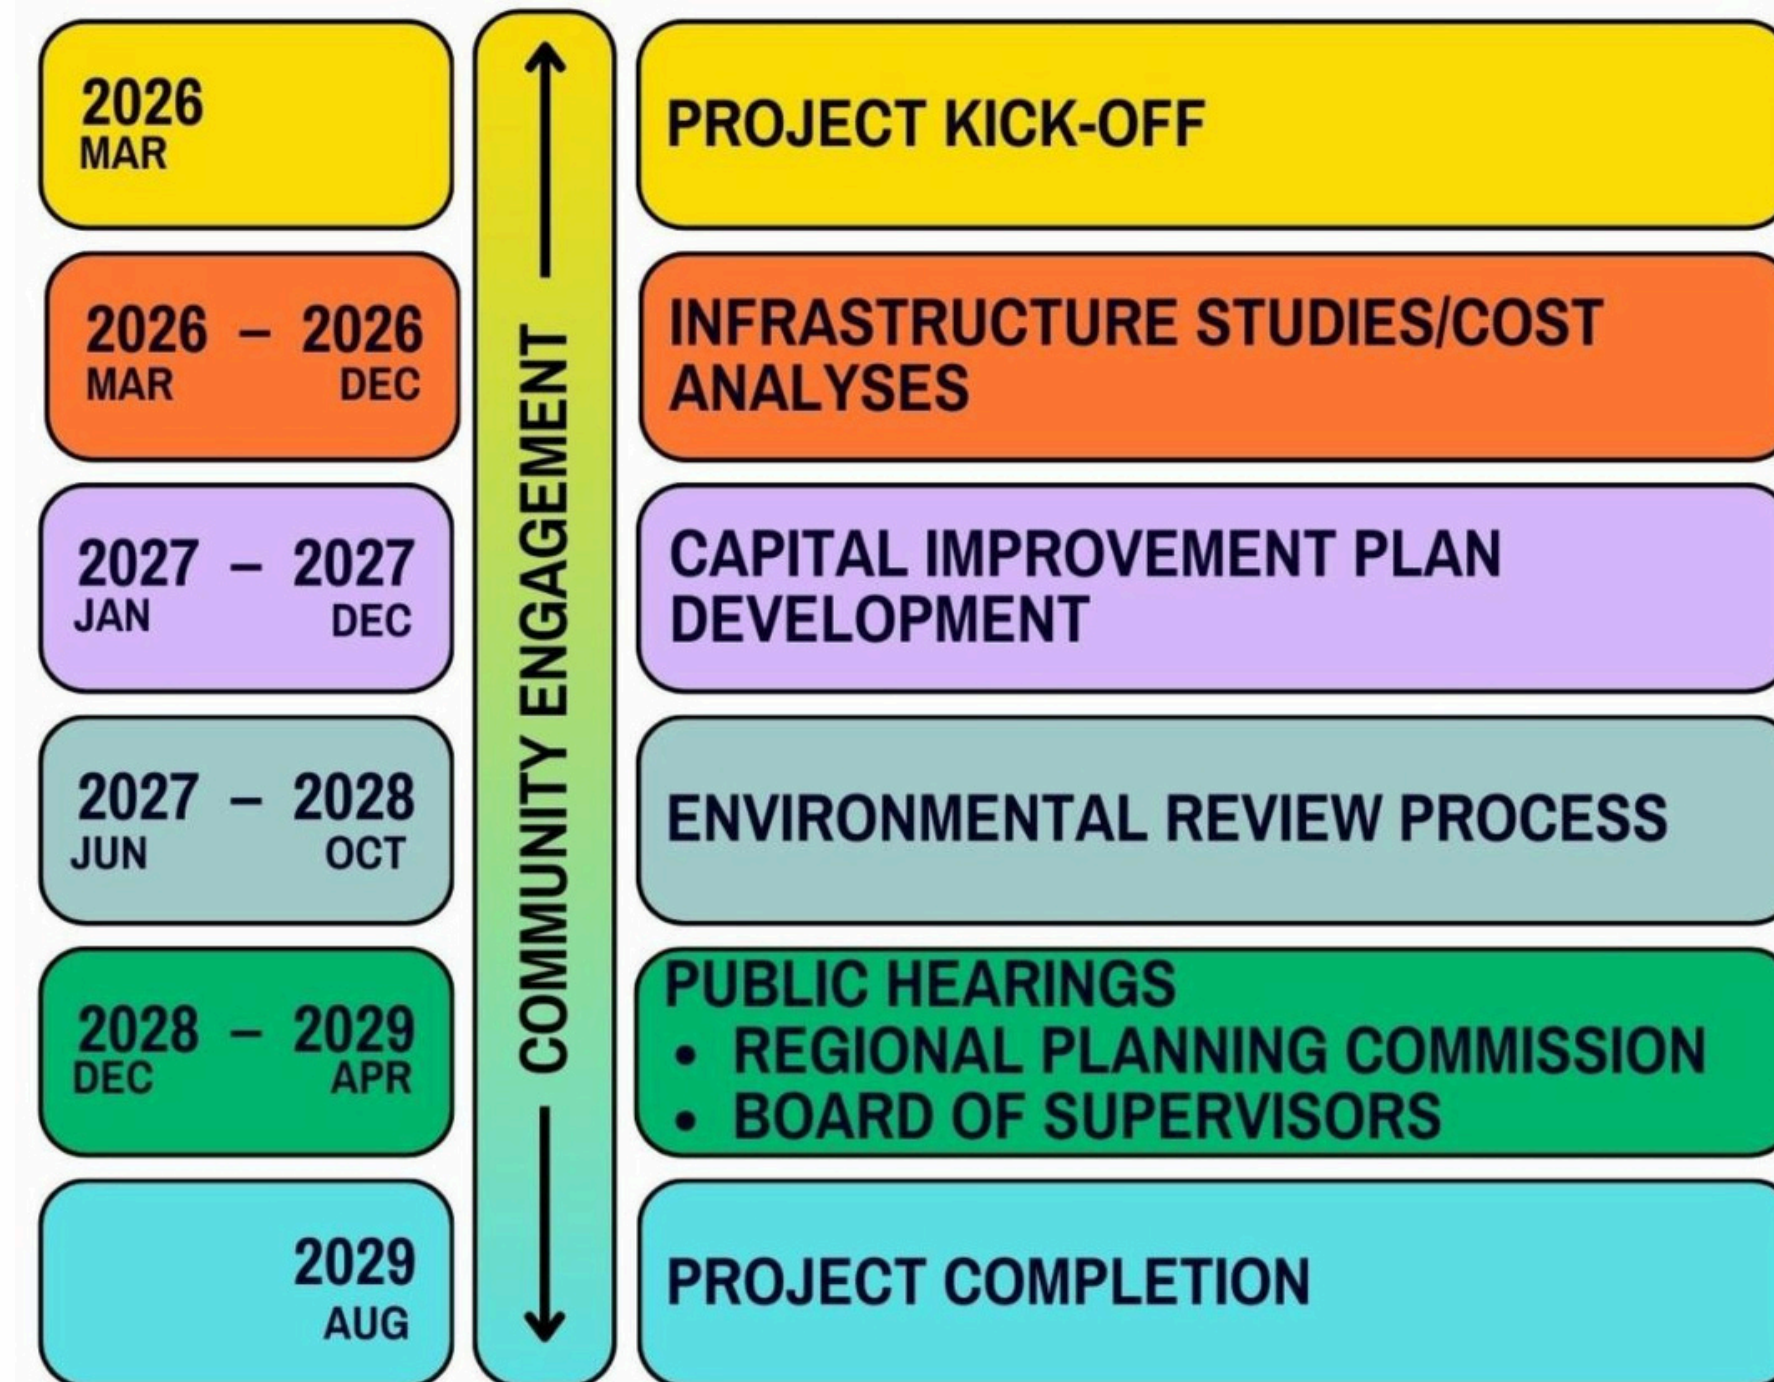

Bus Shelter Replacement Project Phase 1 will involve the installation of 40 new bus shelters in the unincorporated communities of Altadena, East Los Angeles, Lennox, South Whittier, Valinda, West Athens, West Los Angeles, and Willowbrook.

What is the CIP Project Timeline?

**Tentative projected timeline*

How Can You Participate in the CIP?

Participate in the CIP Process

There are many ways to participate in creating the Capital Improvement Plan for your community, including:

- Attending community meetings & presentations
- Visiting our pop-up booths at community events near you

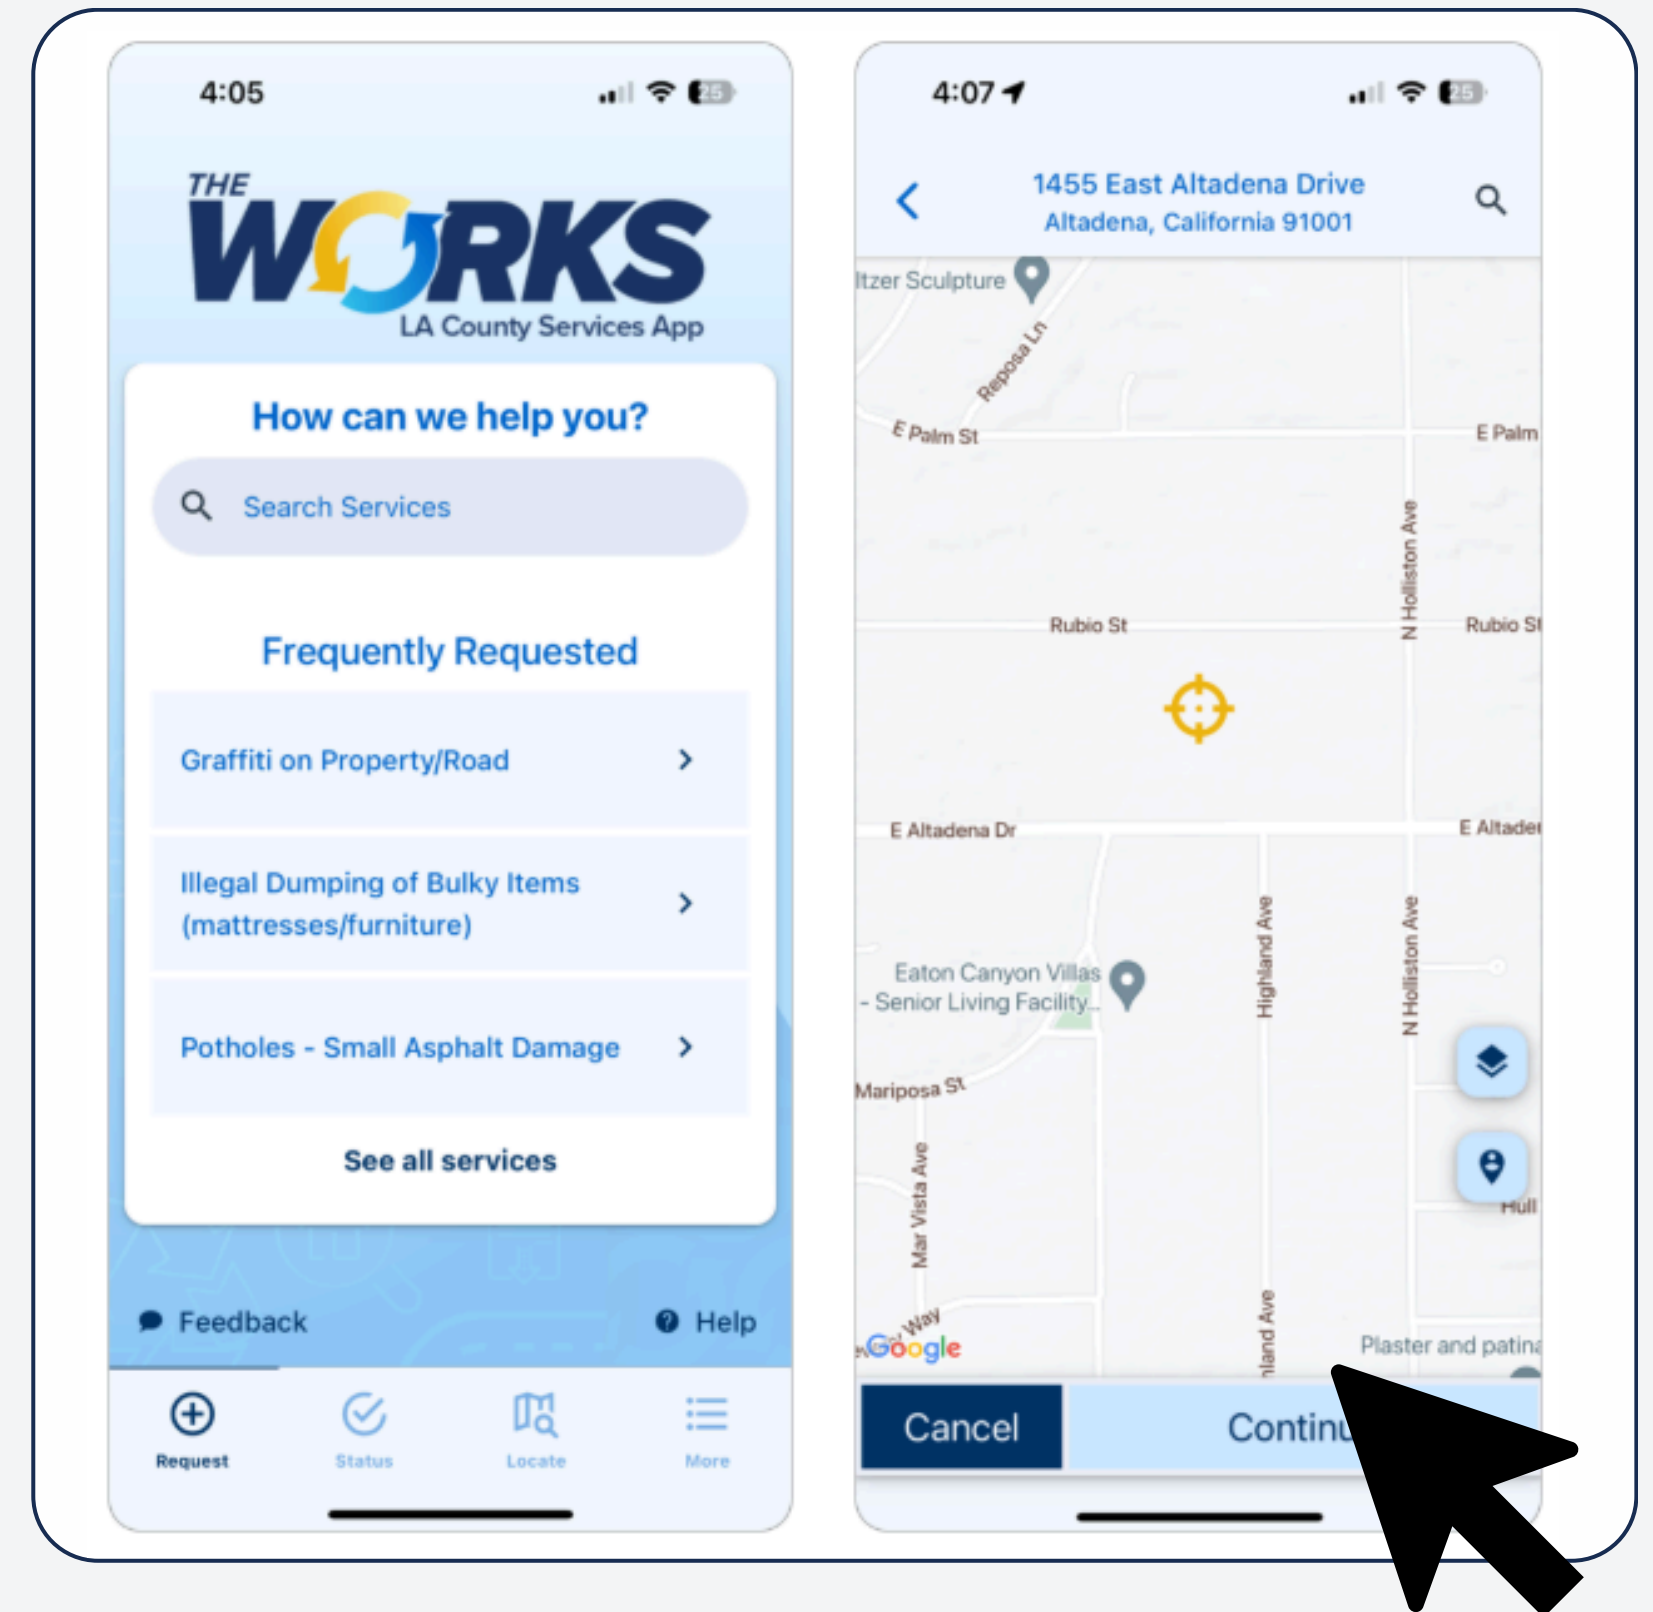

Meanwhile: Support Ongoing Infrastructure Maintenance

The Works is LA County's Services App

- It empowers you to report:

- Issues like potholes, graffiti, overgrown trees, and blocked storm drains
- Property-related concerns and suspected violations
- Illegal dumping activities affecting our streets and environment
- Maintenance needs of trails and facilities in County parks

& **locate** the nearest LA County offices, libraries, shuttle buses, and other services

Thank You!
