Exempt Status: **(check one):**

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
- ☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
- ☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- ☒ Categorical Exemption. State type and section number: Class 1 (15301) and Class 5 (15305)
- ☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The CUP is for the continued operation of maintenance of an existing storage warehouse and the Variance is a related request to modify a performance standard relating to hours of outdoor operation, which would not result in any changes to land use or density. The project does not include any alterations to the site except for new informational signage, any construction, or a change of land use. None of the exceptions to an exemption apply because the project is not located within a Significant Ecological Area, on a scenic highway or on a hazardous waste site, is not known to contain historic resources, and there are no unusual circumstances that would indicate a reasonable possibility that the project could have a significant or cumulative effect on the environment.
