## BRIDGE FIRE TIME EXTENSION

The Los Angeles County Board of Supervisors, on September 17, 2024, ratified the proclamation of a local emergency issued on September 10, 2024, for the Bridge Fire. Pursuant to Section 22.256.030 of the County Code, the Director of Regional Planning (Director) activated the applicable provisions of the adopted Disaster Recovery Ordinance (Ordinance).

Additional time is needed to allow residents and property owners within the disaster area to facilitate recovery and rebuilding efforts due to delays that many property owners have encountered in securing necessary financing and complying with applicable construction requirements. Pursuant to Section 22.256.030.B.4 of the County Code, the Director may grant a one-year extension of the applicable time period. Accordingly, the expiration date for any application filed pursuant to Section 22.256.010 of the Ordinance for the Bridge Fire is extended to **September 17, 2027**.

Sincerely,

Amy J. Bodek, AICP  
Director of Regional Planning
